
Title: Decree for Ethan Teach

Author: Alucard, Mayor

Decree for Ethan Teach's
Custody

In accordance with the
submission of the
PERSUANT'S request
(Dealthagar, Herald of
Oblivion, DA! Formerly of
OES; hereby referred to
as PURSUANT) and the
needs of the well being
of the AFFECTED MINOR
(Ethan Teach of The
Hedge Run Barony; hereby
referred to as AFFECTED
MINOR), this executive
action had been reviewed
and judgment has been
issued.

It is the opinion of this
body that the biological
parents (Ragnar Teach,
Baron of the Hedge Run
Barony and Molly Teach,
Baroness of The Hedge
Run Barony; hereby
referred to as
AFFECTEES) of said
AFFECTED MINOR have
failed in their duties as
parents, guardians and
caregivers for said
AFFECTED MINOR.

It is the judgment of
this legal body that said
AFFECTED MINOR be
turned over to the
PURSUANT in interest of
the AFFECTED MINOR'S
well being and care. This
body has seen and
reviewed the facts and
proof relating to this
case, as well as the
affidavit penned and
signed by said AFFECTED

MINOR.

It is also the judgment of this body that the AFFECTEES be stripped of all legal rights to the AFFECTED MINOR. In the eyes of the law, the PURSUANT has been granted all parental rights, and is tasked with the care, upbringing and general well being of the AFFECTED MINOR. Said AFFECTED MINOR is still heir to all rights and responsibilities as granted by bloodline and being the first-born son of a titled noble house.

The PURSUANT, as a landowner and citizen of Caina and the nation of Stygia has been given the executive right to defend this legal transfer of guardianship in accordance with Stygian and Cainan law.

Signed and made law this
Fourteenth of December,

Alucard, Mayor of Caina
